S. P. Mandali's Prin. L. N. Welingkar Institute of Management Development and Research, Mumbai

INDUSTRY PARTNERSHIP / GCL 2026-27

GLOBAL CITIZEN LEADERS

Your challenge. Student-led innovation.

Postgraduate students learn leadership by turning live challenges into practical ideas through research, collaboration and technology.

YOU SHARE

A live challenge for students to solve

Business | Social / sustainability / SDG | Surveys / research | Process innovation

THE GCL JOURNEY

2 trimesters / 5 steps

1. **Stakeholder mapping** — Map the people and their needs.
2. **Customer journey** — Find friction in the user experience.
3. **Observations & insights** — Gather evidence through fieldwork and research.
4. **Technology prototype** — Build, test and refine with new-age technology.
5. **Commercially feasible solution** — Assess costs, viability and expected value.

GUIDED THROUGHOUT — WeSchool faculty mentorship + Industry expertise & feedback

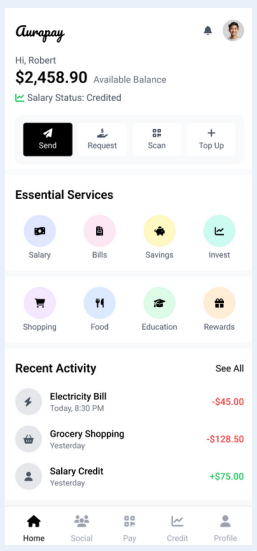

PROJECTS IN PRACTICE

Student projects / prototype showcase

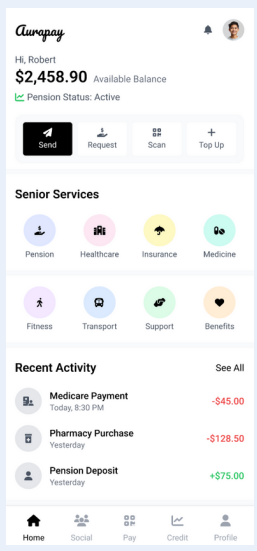

DIGITAL FINANCE

AuraPay

Mobile payments & banking concept

Everyday banking

Senior services

Understand payment needs: a banking app with age-based journeys and security features.

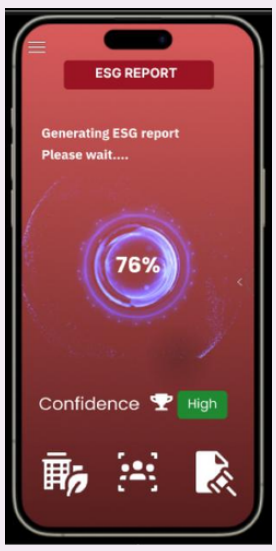

SUSTAINABILITY

ESG Impact Dashboard

Team Sustain X / Retail banking

Impact analytics

ESG reporting

Explore ESG expectations: an impact dashboard with scores, analytics and reporting.

Share your challenge. Join as an industry mentor.

Help refine the brief, share expertise and review progress at key stages.

Program modelled on Leadership Beyond Boundaries by the Center for Creative Leadership (CCL), USA, and Design Impact (DI).
Student project examples are illustrative; prototype screenshots reproduced from student project posters.
